Missouri History Museum – Schnucks Room

What was the role of the black press during some of the most critical human rights issues facing St. Louis? Did traditional civil rights groups like the Urban League and the NAACP sell out workers' struggles? Were working class leadership and trade unions always true to its own self-interests? What were some of the decisions of the period that haunt or propel our current struggles? What were some of the deal-making going on behind the scenes?

Book on Sale at the History Museum or on the OBS website
